People are always talking about F.A.T.E. and the tremendous role it plays in life. Every time something happens, whether good or bad, they always say that it's F.A.T.E. When I was younger and I used to ask what that meant, my Mama would say – "Honey, we don't question F.A.T.E."

I don't get it. Why can't we question F.A.T.E.? Just because the Flying Aero Thunder Elite is the Guinness World Record holder for the world's smallest RC airplane, that doesn't mean it doesn't have to answer to anyone. I don't know; it's all very confusing – I can't decide whether F.A.T.E. deserves all the attention it gets.

Features Include:

- Electric powered
- 2 Channel radio control
- Guinness World Record holder for world's smallest RC airplane
- Easy to fly
- Dual motors
- Lightweight crash-resistant body
- Digital proportional infrared control
- Special design for indoor flying
- For ages 8+
- Requires 6 AA batteries (not included)

Package Includes:

Flying Aero Thunder Elite Airplane, IR Transmitter, Instruction Manual

New Deal Every Day at Midnight!
